

Overall etiquette

1§ Student Union's overalls is used in national and regional student events. Overall is also used in Student Union Laureamko's events if the overall is not forbidden by the dress code.

2§ Overalls should not to be washed. Instead airing is recommended. It is possible to remove single stains if necessary.

3§ Overall badges are attached by sewing. Use of glue is forbidden. It is recommended to reserve room for bigger badges or badge arrangements such as the RaflaRumba badges.

4§ It is good to have some badges that can be swapped with other students when going to national events. Suitable badges for swapping can be bought from Laureamko.

5§ It is suggested not to cover any of the printed advertisements with badges.

6§ Sleeves can be switched with a good friend.

7§ It is possible to swap a piece of the leg of the overalls with someone whom you've had an intimate relationship with like for instance your partner.

8§ It is possible to modify and personalize your overalls by adding additional decorations such as bottle openers or key chains.

9§ Always remember that when you are wearing your overalls you are also representing your school and your Student Union. For this reason, remember to behave properly and take others into account.
